Kettering Medical Office, Kettering, OH

Durable and easy-to-maintain terrazzo floor is the ideal choice for the lobbies of today's office buildings. Highly decorative, a professional terrazzo installation will last as long as any building in which it appears. The most ancient of all floor coverings, it is enduring... and, endearing.

Today's office buildings have limitless varieties of design themes, both inside and outside. One creative strategy that doesn't vary a whole lot, however, is how entryways must always be clean and inviting. Because the lobbies of today's larger office buildings undergo a continuum of extensive, heavy foot-traffic on a daily basis, it's obvious the flooring material must not just be pretty.... but, pretty much indestructible.
