Re: NCTA Annual Convention

Dear Valued Associate Member:

The NCTA will be hosting its annual convention, June 20 - 22, 2024 at the Hyatt Regency Louisville in Louisville, KY. We are planning a fantastic experience for all of our attendees.

We would like to offer our associate members the opportunity to sponsor this event. We are asking the associate members to be a Platinum Sponsor of the event for \$400 per company. Your company name would be recognized in our annual program guide as well as at the event itself, by being displayed on a banner stand at all of the weekend's group functions.

If you are interested or would like additional information, please contact Steve Menconi at 630.417.2137.
